## 1 - Spray Thermal Water

Caviahue Spray Thermal Water is a skincare water for daily use, a powerful treatment formulated with trace elements and mineral salts, a source of radiance for your skin.

Sourced in Caviahue, Patagonia, this thermal spring water is naturally rich in minerals with scientifically demonstrated soothing and antioxidant properties.

Soothes sensitive skin irritated by outside factors (sun, dermatological treatments, etc.) and helps prevent skin aging. Natural antioxidant.

- ◆ Moisturizing
- ◆ Calms and refreshes
- ◆ Softens the skin
- ◆ Stimulates cell regeneration
- ◆ Facilitates the absorption of nutrients
- ◆ Restores moisture and natural elasticity to the skin
- ◆ Sets makeup
- ◆ Suitable for sensitive skin and children

### 3 - Cleaning Foam

Facial cleansing foam with volcanic thermal water, ideal for the daily care of all skin types.

Sourced in Caviahue, Patagonia, this thermal water is naturally rich in minerals with scientifically demonstrated soothing and antioxidant properties.

- ◆ Deeply cleanses the skin of the face
- ◆ Moisturizes and removes impurities, grease and make-up residues
- ◆ Refreshes, calms and softens
- ◆ Facilitates skin hydration

## 4 - Volcanic Thermal Mud

Mud composed of clays, minerals and volcanic thermal water. Thermal Mud renews the skin thanks to the action of its minerals and trace elements.

Sourced in Caviahue, Patagonia, this thermal water is naturally rich in minerals and has scientifically demonstrated soothing and antioxidant properties.

- ◆ It is a powerful exfoliator
- ◆ Absorbs oiliness
- ◆ Reduces the size of pores
- ◆ Eliminates impurities that dull the skin
- ◆ Eliminate acne
- ◆ Facilitates the absorption of nutrients, restoring moisture and natural elasticity to the skin

## 5 - Anti-aging Day Cream

Antiage Day Cream, with hyaluronic acid and volcanic thermal water, which stir renewal. Prevents and reduces expression lines and wrinkles.

Sourced in Caviahue, Patagonia, this thermal water is naturally rich in minerals scientifically demonstrated soothing and antioxidant properties.

- ◆ Stimulates skin renewal
- ◆ Expression lines diminish and wrinkles show a notable reduction
- ◆ Protects from the signs of aging
- ◆ Rapid absorption and long action of its components
- ◆ Contains sun protection factor

## 6 - Anti-aging Night Cream

Its formula with hyaluronic acid and volcanic thermal water revitalizes and nourishes the skin of the face during the hours of sleep.

Sourced in Caviahue, Patagonia, this thermal water is naturally rich in minerals with scientifically demonstrated soothing and antioxidant properties.

- ◆ Revitalizes and nourishes the skin of the face
- ◆ Its components favor the renewal of the skin during the hours of rest at night
- ◆ Reduces the depth of fine lines
- ◆ Prevents the appearance of new wrinkles

## 7 - Vitamin C Serum

Serum C, with a high concentration of 10% stabilized vitamin C, generates antioxidant effects on the skin. Brightens, reduces blemishes and is anti-wrinkle.

Sourced in Caviahue, Patagonia, this thermal water is naturally rich in minerals with scientifically demonstrated soothing and antioxidant properties.

- ◆ Optimizes cell renewal for fresher, healthier skin
- ◆ Instant lifting effect on wrinkles and fine lines
- ◆ Its high concentration of vitamin C helps newer cells reach the surface for healthy, luminous skin with a refined and uniform texture
- ◆ Combine it with Caviahue facial creams to enhance your results
